

MAGNOLIA BAY CONDOMINIUM ASSOCIATION, INC.

**PARKING PERMIT APPLICATION FORM**

Your parking decal should be carefully placed on the inside windshield in the lower driver side. The vehicle registration must be in the approved occupants to receive a decal. If you replace your car, please notify the Association immediately. Transferring a decal to another vehicle without notifying the Association can and will result in booting of towing the vehicle for not being registered with the Association.

**Parking is strictly enforced.**
